November, 1988

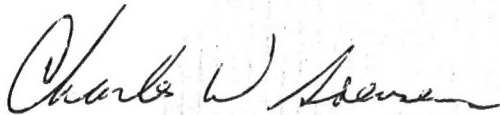

Dear UW-Stout Alumni:

As the new Chancellor of the University of Wisconsin-Stout, it is a pleasure to greet you. Alumni organizations are extremely important to the health and well being of a university. This fine institution has, over the years, developed a large and loyal group of alumni who have been generous in supporting UW-Stout. Although you are now scattered throughout the country, I hope that this directory will assist you in staying in touch with friends.

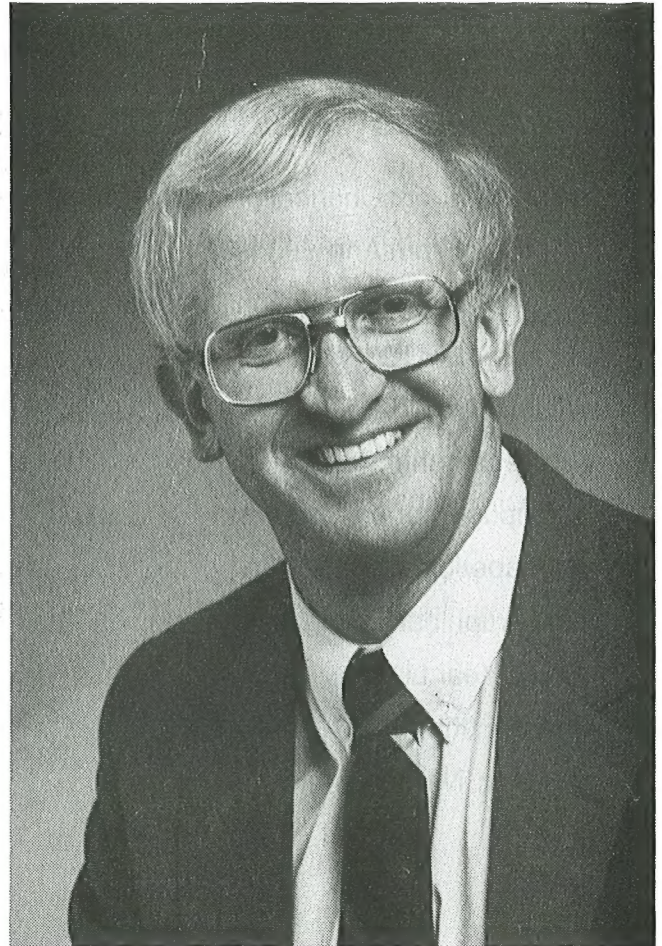

As a new Chancellor, it has been a pleasure to learn about Stout's fine past, and get acquainted with the faculty, staff, students, alumni, and other friends of the university. This university has earned a national reputation because it has consistently developed programs and refined the curriculum to meet the changing needs of American society. As we plan for the 1990's and beyond, there will be changes at Stout; but the central mission of the university will not change. The fine traditions which each of you helped develop will continue to set Stout aside as one of the outstanding state universities in this country.

We are now initiating plans to celebrate UW-Stout's one hundredth birthday in 1991. I hope each of you will stay in touch with us and continue to support the fine efforts that our Alumni Office is making.

I am pleased to represent UW-Stout as its sixth Chancellor. I hope that over the years I can meet each of you.

Charles W. Sorensen
Chancellor

Dear Stout Alumni:

This Stout Alumni Directory represents the membership of a dynamic and most exclusive organization - **the Stout Alumni Association!** It also represents an exciting network of well over 33,000 individuals from all parts of the world! *You*, as a Stout graduate are a very valued and important part of this network. This directory has been developed and updated especially with you in mind, so that you can keep in touch with friends, former classmates and associates and the expanding network of alumni no matter where you are.

As you keep in touch with other alumni, remember to keep in touch with the Stout Alumni Association. Return for Homecoming! Join us at regional alumni chapter events and at gatherings held at major professional conferences throughout the country. Read alumni publications!

Wherever you are, whatever you are doing - - we hope you can keep in touch with the Alumni Association, so we can keep **you** in touch with Stout!!

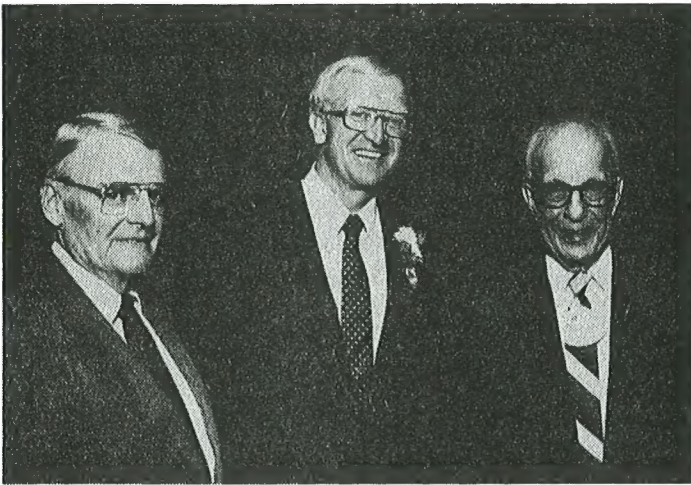

Sincerely,

Ann M. Yurcisin

NAMED PROFESSORSHIPS

The Hormel and Horton professorships were established through the "Toward Century II" Capital campaign. The awards represent an ongoing effort to improve educational quality by the use of outside funding provided through the Stout University Foundation. The George A. Hormel & Co., Austin, MN, provided funds for the Hormel professorships and Horton Manufacturing Co., Minneapolis through its president, Hugh Schilling, provided funds for the Horton professorship. Funds for the Dahlgren professorships come from a bequest to the Stout Foundation made by Reinhold and Borghild Eng Dahlgren, both graduates of the Stout Institute.

The Barnette professorship was provided by Thomas J. Barnette, chairman of the board of the American European Corporation, Atlanta, in honor of his late wife, Helen C. Barnette, who was interested and involved in educational administration. The award allows an academic administrator the ability to identify and enroll in further professional development.

Recipients of each professorship are selected based on their outstanding ability and promise for future development. In the selection process, deans from each school in consultation with the faculty, nominate candidates to the vice chancellor. As part of the honor, recipients of the professorships are provided monies ranging from \$4,500 to \$7,500.
